## Transportation Services...

Whether it's a regular sedan to a concert or an exotic specialty vehicle like a stretch Excursion Limo to a sporting event, allow Family Car Service to make your experience a memorable one. We have an extensive variety of vehicles to choose from. Regular luxury sedans, SUVs or vans may suit your transportation needs as well. All of these vehicles are available for point-to-point transfer service, 24/7. All stretch limousines require hourly reservation bookings during weekend evenings and most major concerts or sporting events.

Any corporate trademarks depicted of Venues, Entertainers, or Sport agencies show no direct affiliation to Family Car & Limo Service. FCS simply states we provide transportation to and from events sponsored by these organizations. The images shown are for information purposes only, and do not belong to FCS but to their rightful owners.

If you're planning on dining before a big game or event, what better way to arrive in comfort and style than in one of our luxurious stretch limousines? Let FCS be your designated driver for the evening, and avoid any dangerous risks while driving. Don't waste your time and hassle with ridiculous traffic and parking congestion. Let FCS drop you off at the door in style, front and center.

Our stretch sedan limos can accommodate parties up to 10, and our stretch SUV limos will accommodate parties up to 18. Groups of passengers, 18 or more may request to use our 28 and 33 passenger mid size buses. If requested within a minimum of 2 days before your pick up, your limo can color coordinate the cocktail napkins to most color themes at no extra charge. If you are reserving a limousine for a formal occasion, please request for the driver to dress in formal attire.

## Transportation Services...

All hourly limo ADs (Alternate Destinations) are free from additional charges like extra stops and wait time. Ice and beverages are always included in the service. Passengers must provide their own drinks containing alcohol. Florida law prevents us from buying or serving alcohol. Beverages will include a mix of regular and diet sodas and bottled water. If you have a request for particular beverages such as OJ or cranberry juice, please let us know before the start of your job. Extra coolers can be stored in the trunk and are available at NO extra charge. You may provide your own drinks and ice with your extra cooler if you wish. There's nothing like having your own personal chauffeur and limousine at your fingertips. Our professional drivers will stay and monitor any personal items you wish to leave in your limousine, and will be happy to bring them to you when you need them.

Ice and Beverages, are NOT included on any limo transfer services. They are only included for hourly AD service. Ice and beverages can be added to your transfer for \$15.00 if requested. We are not permitted to serve alcohol. Passengers may provide their own drinks containing alcohol. Use of our drink ware with your own beverages is a \$10.00 service fee, if you did not request ice & beverage service. Other additional charges are extra stops, wait time, tolls, or parking. Each scheduled or non-scheduled stop is \$15.00. You have 15 FREE minutes at your pickup or at your drop off, during your limo transfer. Extra wait time will be billed at \$1.00 per minute. If you require another limo transfer after your first we can NOT 100% guarantee the same limo will be available unless you reserve it by the hour, otherwise known as a hourly limo A.D.

Event Parking - Most concert and sporting venues have reserved parking for stretch limousines and transportation services. The parking fee and rules for these venues change per event. These rates can fluctuate from \$20.00 to \$50.00 dollars per vehicle. Most venues will only accept cash. FCS does NOT encourage drivers to carry large amounts of cash while on the job. Do NOT expect the driver to have cash to pay your parking at these events. Most venues will NOT allow reentry once a vehicle leaves. Most venues will NOT allow you to be dropped off in the parking lot area without paying the full parking fee. Some venues pre sell parking passes per event at a discount. You may obtain these passes on your own, and hand them to your driver. If you will be reserving a limousine or bus, make sure you purchase a parking pass for that type of vehicle you reserved.

Police and city officials will often close off incoming roads, or redirect all incoming traffic to outbound routes at the end of a major concert or sporting event, thus making next to impossible to meet up with passengers until the roads and traffic flow are normal. If you wish to avoid the option of paid parking, FCS will not be responsible for any inconvenience this may cause to your service.

Tailgating - Alcoholic beverage can not be consumed while moving unless it's in a limo. If you would like to 'tailgate' before the big game, you may bring a grill and keg to your 'tailgate' party. You will then be limited to an SUV, van, or bus for your transportation. A trailer can be used for your supplies if needed. You will be responsible for picking up any wrappers, boxes, or packaging after the event. Excessive clean up by the driver will result in extra clean up charges. Please read our polices and terms for more information.
